Town Hall Meeting in Dhaka with the Ambassador

February 9, 2015

The American Citizen Services (ACS) section at the Embassy would like to invite American citizens in Bangladesh to a town hall meeting to introduce our new Ambassador, Marcia Stephens Bloom Bernicat, and to engage in a discussion on issues that affect American citizens in Bangladesh. Our Consul General, Elizabeth Gourlay, will also be present to respond to questions or concerns relating to consular work in general.

The event will be held on Feb 19, 2015 from 4:00 p.m. – 6:00 p.m. in the Bougainvillea Room at the American Club in Dhaka, Bangladesh. Seating is limited and if you wish to join us please email at DhakaACS@state.gov with your full name and U.S. passport number. Admittance to the town hall will not be granted to those who have not sent an RSVP. On the day of the event, if you have RSVP'd and are *not* a member of the American Club, please bring your passport for entry.

We would appreciate it if questions for either the Ambassador or Consul General were submitted ahead of time to DhakaACS@state.gov with the subject line: February 19 Town hall meeting question. There is no guarantee your question will be selected as we will be looking for a representative sample. Please do not send personal questions or inquiries about specific cases.
